How it works.....

- **If you have insurance that covers acupuncture we will gladly submit your claims for you. You are responsible for your deductible, co-pay, and co-insurance amounts. If your insurance denies payment of a claim you are responsible for the billed charges.**
- **We would appreciate you checking with your insurance company to verify benefits prior to your appointment.**
- **Most conditions require an average of 6-12 treatments, although some will respond well within 4-6 visits and others may require a longer series- this depends on the severity and the chronic nature of the chief complaint.**
- **Mastercard and Visa are accepted as well as checks and cash.**
- **Your appointment time is reserved specifically for you. In the event of a missed appointment or an appointment cancelled with less than 24 hours notice you may be charged a \$35 fee. Insurance will not pay for a missed appointment.**
- **To be fair to our other customers please be on time for your appointment. You may be denied your treatment if you are more than 10 minutes late and the late fee will apply.**
- **Hardship waiver is available for those needing assistance.**
